

# Getting parents into work gets children out of poverty, right?

ALL THESE CHILDREN LIVE IN POVERTY

## What does this mean?

Most people think that being in poverty is about being unemployed, but statistics show that most of the children living in poverty in this country actually have parents who work.

### Explaining the data

This information is from a 2012 report produced by the New Policy Institute for the Joseph Rowntree Foundation, *Monitoring Poverty and Social Exclusion 2012* (available at: <http://www.jrf.org.uk/sites/files/jrf/MPSE%202012%20Bookmarked%20REVISED.pdf>)
